PROFILE

I'm a skilled UX/UI Designer from Belarus. I have more than 7 years of real-world experience in diverse design fields. Currently I'm working for an international company as a Sr. Product Designer. In my spare time I work on a pet-project and mentor newbies. I enjoy travelling, beatmaking and playing basketball.

I'm native in Russian and Belarusian. I attended some language courses to learn English and Polish. Also, I was learning German in lyceum, but I have not practiced it since 2012. Currently I continue learning Polish.

INTERESTS

BASKETBALL

I love to play basketball and used to play in the faculty team when I was studying at the University.

BEAT MAKING

I really like street culture and I've been making beats ever since my graduation from a music school.

ANALOG PHOTOGRAPHY

I'm fond of grainy photos and my film cameras are always with me wherever I travel.
